Each Owner, by acceptance of a deed or other conveyance of any interest in a Lot, agrees that Declarant shall have the authority to appoint and remove members of the Board and officers of the Association in accordance with the foregoing provisions of this Section and the provisions of the above Section. At such time as Declarant no longer owns any interest in

4.06 Indemnity for Damages. Each and every Owner in accepting a deed or contract for any Lot subject to these Restrictions, agrees to indemnify Declarant and its successors for any damage caused by such Owner, or the contractor, agent or employees of such Owner, to roads, streets, gutters, walkways or other aspects of public ways, including all surfacing thereon, or to water, drainage or storm sewer lines of sanitary sewer lines. The Association shall not be liable for injuries or damage to any person or property (1) caused by the elements, act of God, or any Owner or other person, (2) resulting from any surface or subsurface conditions which may at any time affect any portion of the Property caused by rain or other surface water which may leak or flow from any portion of the Common Area onto a Lot, or (3) resulting from theft, burglary, or other illegal entry into the Property or any Lot thereof. No diminution or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken by or performed by the Association hereunder or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association or from any action taken by the Association to comply with any requirements of the Governmental Authorities.

4.07 Notice of Meetings and Quorum.

(a) Written notice of the annual meeting of the Association, as well as any other meeting called for the purpose of taking any action authorized in this Article shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of such meetings. With respect to annual meetings, the presence in person or by proxy of Owners entitled to cast over 50% of all the votes of the Association shall constitute a quorum. If the required quorum is not present, another meeting

may be called subject to the same notice requirement but the required quorum at the subsequent meeting shall be the presence in person or by proxy of Owners entitled to cast at least one-third (1/3) of the total votes of the Association. At such time as a quorum is obtained, the vote of a majority of the Owners who are voting in person or by proxy at such meeting shall be required to approve any matter in which all of the members of the Association are entitled to vote, including any increase in the amount of annual Assessments in excess of the limitations specified in Section 8.04.

(b) With respect to all other meetings of the members of the Association, there shall be no specific requirement establishing a quorum and the vote of a majority of the Owners who are voting in person or by proxy at any such special meeting shall be binding on all of the members of the Association.

ARTICLE V: DESIGN REVIEW

5.01 **Design Review Committee.** There is hereby established a Design Review Committee.

5.02 **Membership.** The Design Review Committee shall consist of not less than three (3) members and not more than five (5), all of whom shall be appointed or elected. The members of the Design Review Committee may be, but shall not be required to be, members of the Association or Owners of any Lot. The regular term of office for each member of the Design Review Committee shall be one (1) year, coinciding with the fiscal year of the Association. Each Owner, by acceptance of a deed to or other conveyance to a Lot, shall be deemed to ratify the provisions of this Section.

(a) For so long as Declarant is the Owner of any Lot within the Property, except a dwelling used as a

personal residence, Declarant shall have the sole and exclusive right to appoint and remove all of the members of the Design Review Committee.

(b) At such time as Declarant is no longer the Owner of any Lot within the Property, except a dwelling used as a personal residence, or, upon Declarant's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the Design Review Committee as provided in Section 5.02(a) above, then the members of the Design Review Committee shall be appointed by the Board of the Association.

(c) Any member of the Design Review Committee may be removed, with or without cause, by (i) Declarant, in its sole discretion, during the period of time that the provisions of Section 5.02(a) above are in effect or (ii) the Board, in the event the provisions of Section 5.02(b) above are in effect. In the event of death or resignation of a member of the Design Review Committee, a substitute member shall be appointed to fill the vacancy of such deceased or resigning member for the remainder of the term of such former member.

5.03 **Procedure and Meetings.** The Design Review Committee shall elect a chairman and he, or in his absence, the vice-chairman, shall be the presiding officer at all meetings of the Design Review Committee. The Design Review Committee shall meet on a regular basis as well as upon call of the chairman or vice-chairman, and all such meetings shall be held at such places as may be designated by the chairman or vice-chairman. A majority of the total number of members of the Design Review Committee shall constitute a quorum of the Design Review Committee for the transaction of business and the affirmative vote of a majority of those members present in person or by proxy at a meeting of the Design Review Committee shall constitute the action of the Design Review Committee on any matter which

comes before it. The Design Review Committee is authorized to retain the services of consulting architects, landscape architects, designers, engineers, inspectors, and/or attorneys in order to advise and assist the Design Review Committee in performing its functions set forth herein. Each member of the Design Review Committee may be paid a stipend or honorarium as may from time to time be determined by the Board of the Association and shall otherwise be entitled to a reimbursement of expenses incurred on behalf of the Design Review Committee, subject to the approval of such expenses by the Board of the Association. The Design Review Committee shall have the right from time to time to adopt and establish such rules and regulations as may be determined to be necessary concerning the procedure, notice of meetings, and all other matters concerning the conduct of the business of the Design Review Committee.

5.04 Architectural Standards. The Design Review Committee is hereby authorized to promulgate and amend or modify from time to time written Architectural Standards governing policies, guidelines, and minimum requirements to be satisfied with respect to the construction, location, landscaping, and design of all Improvements on any Lot, the content and manner in which plans and specifications and other documentation and information concerning the construction of any structure or other Improvements are to be submitted to and approved by the Design Review Committee, and any other matters affecting the construction, repair, or maintenance of any structure or other Improvements. The Architectural Standards adopted by the Design Review Committee shall be in addition to the provisions and requirements set forth in this Declaration and shall be binding upon and enforceable against all Owners. It is expressly provided that an Owner may make interior improvements and alterations within his structure that do not affect exterior appearance without the necessity

or requirement that Design Review Committee approval or consent be obtained.

5.05 Approval of Plans and Specifications.

(a) In order to preserve the architectural and aesthetic appearance and the natural setting and beauty of the Property, to establish and preserve a harmonious design for the Property, and to protect and promote the value of the Property, the Lots, the Common Areas, and all Improvements thereon, no Improvements of any nature shall be commenced, erected, installed, placed, moved onto, altered, replaced, relocated, permitted to remain on or maintained on any Lot by any Owner, other than Declarant, which may affect the exterior appearance of any Lot unless plans and specifications therefore have been submitted to and approved by the Design Review Committee in accordance with the terms and provisions of section 5.05(b) below.

(b) The Design Review Committee is hereby authorized and empowered to approve all plans and specifications and the construction of all Improvements on any part of the Property. Prior to commencement of any structure or other Improvements, the Owner thereof shall submit to the Design Review Committee two (2) copies of plans and specifications and related data for all such Improvements, which shall include the following, all prepared at an appropriate scale and submitted in 8-1/2" x 11" format (or suitable multiple thereof):

(i) A landscaping plan prepared and submitted in accordance with the provisions of Section 5.06 below.

(ii) An accurately drawn and dimensioned site development plan indicating the location of any and all Improvements, including, specifically, any structure(s) to be constructed on said Lot, the location of all driveways, walkways, decks, terraces, patios,

and outbuildings and the relationship of the same to any setback requirements applicable to the Lot or structure thereon.

(iii) A foundation plan, floor plans, and exterior elevation drawings of the front, back, and sides of the structure to be constructed.

(iv) Written specifications and, if requested by the Design Review Committee, samples indicating the nature, color, type, shape, height, and location of all exterior materials to be used in the construction of the structure on such Lot or any other Improvements thereto.

(v) The lighting plan, including specifications, for any exterior lighting to be utilized with respect to such Lot.

(vi) Such other plans, specifications, or other information or documentation as may be required by the Architectural Standards or the Design Review Committee.

(c) The Design Review Committee shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any owner for approval are acceptable. One copy of all plans, specifications, and related data so submitted to the Design Review Committee shall be retained in the records of the Design Review Committee and the other copy shall be returned to the Owner submitting the same marked "approved," "approved as noted," or "disapproved." The Design Review Committee shall establish a fee sufficient to cover the expense of reviewing plans and related data and to compensate any persons retained in order to approve such plans and specifications and to monitor and otherwise enforce the terms hereof.

(d) The Design Review Committee shall have the right to disapprove any plans and specifications upon any ground which is inconsistent with the objectives and purposes of this Declaration, including purely aesthetic considerations. Any failure to comply with any of the provisions of this Declaration or the Architectural Standards, failure to provide requested information, objection on the ground of incompatibility of any such proposed improvement with the scheme of development proposed for the Property, objection to the location of any proposed Improvements, objection to the landscaping plan objection to the color scheme, finish, proportions, style of architecture, height, bulk, or appropriateness of any Improvement or any other matter which, in the sole judgment of the Design Review Committee, would render the proposed Improvement inharmonious with the general plan of development contemplated for the Property. The Design Review Committee shall have the right to approve any submitted plans and specifications with conditions or stipulations by which the Owner shall be obligated to comply and must be incorporated into the plans and specifications for such Improvements or structure(s). Approval of plans and specifications by the Design Review Committee for Improvements in any particular case shall not be deemed an approval or otherwise obligate the Design Review Committee to approve similar plans and specifications or any of the features or elements for the Improvements for any other Lot within the Property.

(e) In the event the Design Review Committee fails to approve in writing any such proposed plans and specifications within thirty (30) days after such plans and specifications have been deemed complete and accepted for review by the Design Review Committee, then the plans and specifications so submitted will be deemed to have been approved.

(f) Any revisions, modifications, or changes in any plans and specifications previously approved by the Design Review Committee must be approved by the Design Review Committee in the same manner specified above.

(g) If construction of the Improvements has not substantially commenced (e.g., by clearing and grading, pouring of footing, and otherwise commencing framing and other related construction work) within one (1) year of approval by the Design Review Committee of plans and specifications for such Improvements, then no construction may be commenced (or continued) and the Owner shall be required to resubmit all such plans and specifications to the Design Review Committee for approval in the same manner specified above.

5.06 Landscaping Approval. In order to preserve, to the extent practicable, the natural landscaping and plant life situated on the Property and in order to enhance the aesthetic appearance of the Property, no tree cutting, landscaping, grading, excavation, or fill work of any nature shall be implemented or installed by any Owner on any Lot unless and until landscaping plans therefore have been submitted to and approved by the Design Review Committee. The provisions of Section 5.05 above regarding the method that such plans are to be submitted to the Design Review Committee, the time for approval or disapproval of the same, and the method of approving modifications or changes thereto shall be applicable to such plans.

5.07 Variances. The Design Review Committee, in its sole and absolute discretion, shall have the exclusive right to grant variances with respect to the provisions of Article V and Article VI with respect to any Lot. Any variance request submitted to the Design Review Committee shall be in writing and, upon approval of the same by the Design Review Committee, shall be

evidenced by a written variance executed by either the chairman or vice chairman of the Design Review Committee. The provisions of this Section concerning meetings, a quorum of members, and the number of votes necessary to approve action taken by the Design Review Committee shall be binding upon the Design Review Committee in any matters regarding the granting of variances.

5.08 Construction Without Approval. If (a) any Improvements are initiated, installed, maintained, altered, replaced, or relocated on any Lot without Design Review Committee approval of the plans and specifications for the same or (b) the Design Review Committee shall determine that any approved plans and specifications for any Improvements or landscaping are not being complied with, then, in either event, the Owner of such Lot shall be deemed to have violated this Declaration and the Design Review Committee shall have the right to exercise any of the rights and remedies set forth in Section 11.02 below.

5.09 Inspection. The Design Review Committee or any agent, employee, or representative thereof may at any reasonable time and from time to time enter upon and inspect any Lot or any Improvements being constructed thereon in order to determine whether the approved plans and specifications therefore are being complied with. Any such entry shall not be deemed to be a trespass or any other wrongful act by the Design Review Committee or the agent, employee, or representative thereof.

5.10 Subsurface Conditions. The approval of plans and specifications by the Design Review Committee for any structures or other Improvements shall not be construed in any respect as a representation or warranty by the Design Review Committee or Declarant to the Owner submitting such plans or to any of the successors or

assigns of such owner that the surface or subsurface conditions of such Lot are suitable for construction of the Improvements or structure contemplated by such plans and specifications. It shall be the sole responsibility of each Owner to determine the suitability and adequacy of surface and subsurface conditions for any construction.

5.11 Limitation of Liability. It is expressly provided that neither Declarant, the Design Review Committee, the Association, nor any agent, employee, representative, member, shareholder, partner, officer, or director thereof, shall have any liability of any nature whatsoever for any damage, loss, or prejudice suffered, claimed, paid, or incurred by any Owner on account of (a) any defects in any plans and specifications submitted, reviewed, or approved in accordance with the provisions of this Article, (b) any defects, structural or otherwise, in any work done according to such plans and specifications, (c) the failure to approve or the disapproval of any plans, drawings, specifications, or other data submitted by any Owner for approval pursuant to the provisions of this Article V, (d) the construction or performance of any work related to such plans, drawings, and specifications, (e) bodily injuries (including death) to any Owner, Occupant, or the respective family members, guests, employees, servants, agents, invitees, or licensees of any such Owner or Occupant, or any damage to any structure(s), Improvements, or the personal property of any Owner, Occupant, or the respective family members, guests, employees, servants, agents, invitees, or licensees of such Owner or Occupant, which may be caused by, or arise as a result of, any defect, structural or otherwise, in any Improvements or the plans and specifications therefore or any past, present, or future soil, and/or subsurface conditions, known or unknown (including, without limitation, sink-holes, underground mines, tunnels, and water channels, and limestone formations

on or under any Lot), and (f) any other loss, claim, damage, liability, or expense, including court costs and attorneys' fees, suffered, paid, or incurred by any Owner arising out of or in connection with the use and occupancy of any Lot, or any Improvements or structure situated thereon.

5.12 Commencement and Completion of Construction. Upon commencement of construction of any Improvements, construction work thereon shall be prosecuted diligently and continuously and shall be completed within one (1) year of the commencement date of said construction, such completion to be evidenced by a Certificate of Occupancy issued by the appropriate governmental authorities.

5.13 Sales and Construction Activities. The Declarant, its agents, employees, successors, and assigns, shall have the right and option to maintain and carry on such facilities and activities as may be reasonably required, convenient, or incidental to the completion, improvement, and sale or development of Lots, Common Areas, and the Additional Property, including, without limitation, the installation and operation of sales and construction trailers and offices, signs, and model dwellings and other structures, all as may be approved by Declarant from time to time; provided, however, that the location of any construction trailers of any assignees of Declarant's rights under this Section shall be subject to Declarant's approval. The right to maintain and carry on such facilities and activities shall include, without limitation, the right to use dwellings as model residences and as offices and for any similar or related activities.

5.14 Compliance Certification. The Design Review Committee or any authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be established, furnish to an

Owner a certificate in writing setting forth whether all necessary Design Review Committee approvals have been obtained and whether any Improvement has been constructed in accordance with the provisions of this Declaration.

ARTICLE VI: GENERAL COVENANTS AND RESTRICTIONS

6.01 Use Restrictions. Except as otherwise provided to the contrary in this Declaration, each Lot shall be used for such uses and purposes only as are designated on the subdivision plat, and no trade or business of any kind may be carried on in or from any residential Lot. The use of any portion of a dwelling as an office by an Owner shall not be considered a violation of this covenant if such use does not create regular customer, client, or employee traffic. pay to the Association: (a) annual Assessments, as established and to be collected as provided in the below Section, (b) special Assessments, to be established and collected as provided in the below Section, and (c) individual Assessments against any particular Lot which are established or assessed pursuant to the terms of this Declaration, including, but not limited to, any fines as may be levied or imposed against such Lot in accordance with the provisions herein. All Assessments, together with late charges and interest as provided in the below Section, and all court costs and attorneys' fees incurred by the Association to enforce or collect such Assessments, shall be an equitable charge and a continuing lien upon each Lot for which the Owner thereof is responsible for the payment of the same, which lien may be enforced in the manner provided in the below Section. Each Owner shall be personally liable for the payment of all Assessments coming due while he is the Owner of a Lot and his grantee shall take title to such Lot subject to the equitable charge and continuing lien therefore, but without prejudice to the rights of such grantee to recover from his grantor any amounts paid by such grantee to the Association which were the legal obligations of the grantor. All Assessments, together with late charges and interest at the Applicable Rate, as specified in the below Section, court costs, and attorneys' fees incurred with respect thereto by the Association, shall also be a personal obligation of the person who was the Owner of the Lot at the time such Assessments and other costs and charges were assessed or incurred. In the event of co-ownership of any Lot, all of the co-Owners shall be jointly and severally liable for the entire amount of such Assessments. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of the Association. All Assessments shall be payable in all events without offset, diminution, or abatement by reason of fire or other casualty or any taking as a result of, in lieu of or in anticipation of the exercise of the right

of eminent domain, condemnation, or by private purchase in lieu thereof with respect to any portion of the Property or any other cause or reason of any nature.

8.02 Purpose of Assessments. The annual and special Assessments provided for herein shall be used for the expenses of the Association and its general purposes of promoting the recreational, health, safety, welfare, common benefit, and enjoyment of the Owners of the Property and otherwise for the general upkeep and maintenance of the Property, all as may be authorized from time to time by the Board of the Association.

8.03 Uniform Rate of Assessments.

(a) Both annual and special Assessments, as described in the below Sections, shall be assessed against each Lot in the Property at a uniform rate, with the Owner of each Lot being required to pay his prorata portion of such annual and/or special Assessments, as determined by a fraction, the numerator of which shall be the total Lots owned by such Owner and the denominator of which shall be the total number of Lots in the Property at the time such annual or special Assessment is levied. Each Lot shall be subject to equal Assessments.

(b) in the event any Additional Property is added to the Property, then the Lots within the Additional Property shall be subject to the same annual or special Assessments then being paid by the Owners of all other Lots in the Property, subject to proration as provided in the below Section.

8.04 Computation of Annual Assessments.

(a) The annual Assessment for each Lot in the Property (including any Lot forming any part of the Additional Property) for the period commencing on the date hereof and continuing until and including December 31, 2004,

shall be Three Hundred and No/100 Dollars (\$300.00) per annum per Lot in the Property. The foregoing shall not limit or restrict any special Assessments levied pursuant to the below Section (with the approval of a majority of the Owners as provided therein) or any individual Assessments levied in accordance with the provisions of the below Section.

(b) Commencing with the fiscal year of the Association which begins on January 1, 2005 (i.e., from January 1, 2005, through December 31, 2005, which period is hereinafter referred to as the "Base Year"), and annually thereafter, the Board of the Association shall determine and approve annually an annual budget covering the estimated Common Expenses for the Property for the upcoming year, such budget to include a capital contribution or reserve account if necessary for the capital needs of the Association. The amount set forth in such budget shall constitute the aggregate amount of annual Assessments for the then applicable year and each Owner shall pay his prorata share of the same as provided in the above Section. A copy of the budget setting forth the amount of annual Assessments to be levied against the Lots for the following year shall be delivered to each Owner. The provisions of the above Section shall not apply to the Base Year or any subsequent year thereafter.

(c) In the event the budget for any year after the Base Year results in the Owners being liable for the payment of annual Assessments the increase of which exceed (without regard to proration or adjustment as provided in the below Section) the greater of either (i) ten percent (10%) of the annual Assessments payable for the entire immediately preceding calendar year or (ii) the percentage increase in the United States Consumer Price Index or any successor index thereto for January of the current year over the index for January of the Base Year (i.e., January 2005) then the budget and the amount of

the annual Assessments shall be presented for approval of the Owners at the annual meeting of the Association and must be approved by the vote of a majority of the Owners who are voting in person or by proxy at such meeting. In the event the amount of the annual Assessments does not exceed the limitations set forth above or until such time as a majority of the Owners have approved such increase in the amount of the annual Assessments, then the budget approved by the Board for the then current fiscal year shall be implemented, subject to the restrictions and limitations set forth above on the amount of increase in annual Assessments. The limitations on increases in the amount of annual assessments provided in this Section shall not be applicable to the Base Year; accordingly, the actual annual Assessments for each Lot for the Base Year may exceed \$300.00 per annum increased by the greater of (i) ten percent (10%) or (ii) the percentage increase in CPI from the preceding calendar year.

(d) If any budget or the amount of annual Assessments collected by the Association at any time proves to be inadequate or insufficient for any reason to fully pay all costs and expenses of the Association and all Common Expenses, then the Board may call a meeting of the Association for the purpose of approving special Assessments as provided in the below Section. If the actual amount of annual Assessments collected in any one year exceeds the actual costs incurred for Common Expenses for such year, the excess shall be retained by the Association as a reserve for subsequent years' Common Expenses.

(e) The Common Expenses to be funded by the annual Assessments may include, but shall not be limited to, the following:

(i) Salaries, fringe benefits, and other compensation paid and out-of-pocket expenses reimbursed by the

Association for its employees, agents, officers, members of the Board, and third party contractors;

(v) The expenses of maintaining, operating, repairing, and replacing any portions of the Common Areas for which the Association is responsible, including, without limitation, roads comprising Common Areas within the Property, which maintenance and repair obligation shall include mowing, landscaping, seeding, cleaning, trash pick-up and removal, paving, repaving, striping, and patching all such roadways comprising Common Areas;

(vi) Expenses of maintaining, operating, and repairing any other amenities and facilities serving

the Property which the Board determines from time to time would be in the best interest of the Association to so maintain, operate, and/or repair;

(vii) The expenses of the Design Review Committee which are not defrayed by plan review charges;

(viii) Ad valorem real and personal property taxes assessed and levied upon any of the Common Areas;

(ix) The costs and expenses for conducting recreational, culture, or other related programs for the benefit of the Owners;

(x) All other fees, costs, and expenses incurred by the Association in accordance with the terms and provisions of this Declaration or which the Board, in its sole discretion, determines to be appropriate to be paid by the Association, including, without limitation, taxes and governmental charges not separately assessed against Lots; and

(xi) The establishment and maintenance of a reasonable reserve fund or funds (1) for inspections, maintenance, repair, and replacement of any portions of the Common Areas for which the Association is responsible to inspect, maintain, repair, or replace on a periodic basis, (2) to cover emergencies and repairs required as a result of casualties which are not funded by insurance proceeds, and (3) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

8.05 Special Assessments. In addition to the annual Assessments authorized in the above Section and the Special Assessments authorized in the Sections below, the Board of the Association may levy in any year

special Assessments for Common Expenses or any extraordinary costs incurred by the Association; provided, however, that any such special Assessments shall be approved by a majority of the votes of the Owners who are voting in person or by proxy at the meeting called for the purpose of adopting special Assessments pursuant to the provisions of the below Section. The Board may make such special Assessments payable in one lump sum or in installments over a period of time which may, in the Board's discretion, extend beyond the then fiscal year in which said special Assessments are levied and assessed. Special Assessments shall be levied against and payable by each Owner in accordance with the provisions of the above Section.

8.06 Individual Assessments. Any expenses of the Association occasioned by the conduct of less than all of the Owners or by any Owner or Occupant, or the respective family members, agents, guests, servants, employees, invitees, or contractors of any Owner or Occupant, shall be specially assessed against such Owners and their respective Lots. The individual Assessments provided for in this Section shall be levied by the Board and the amount and due date of such Assessment shall be specified by the Board in a notice to such Owner. The provisions of this Section shall apply, without limitation, to any individual Assessments levied pursuant to any other provision hereof.

8.08 Date of Commencement of Assessments. The annual Assessments provided for herein shall commence as to each Lot on the day on which such Lot is conveyed to a person other than Declarant and shall be due and payable in such manner and on such schedule as may be established from time to time by the Board of the Association. Annual Assessments and any outstanding special Assessments shall be adjusted for each Lot according to the number of months then

remaining in the then fiscal year of the Association and the number of days then remaining in the month in which such Lot is conveyed. Annual and special assessments for Lots within any portion of the Additional Property hereafter submitted to the terms of this Declaration shall commence with respect to each such Lot on the date on which such Lot is conveyed to a person other than Declarant, subject to proration and adjustment according to the number of months then remaining in the fiscal year of the Association and number of days then remaining in the month in which such Assessments commence. The Declarant shall not be responsible for the payment of annual or special Assessments on any Lots which it owns in the Property, other than those occupied as personal residence(s). Furthermore, for so long as Declarant is the Owner of any Lot within the Property, Declarant shall have the option to either pay annual Assessments on Lots owned by Declarant or fund any deficits which may exist between the total amount of annual Assessments assessed to all other Owners and the actual costs incurred by the Association for Common Expenses for the Property. At such time as Declarant no longer has any interest in any Lot within the Property, except for a dwelling used for a personal residence, Declarant shall have no further obligation of any nature to pay any Assessments or otherwise fund any deficits relating to the Common Expenses or the Common Areas.

8.09 Effect of Non-Payment; Remedies of the Association.

(a) In the event any Assessments or any portion thereof are not paid when due the same shall be subject to a late charge in an amount determined and uniformly applied by the Board from time to time and the Owner of such Lot shall be deemed in default herewith. In the event any Assessments or any portion thereof are not paid within thirty (30) days after the due date of the same,

then the unpaid portion of the Assessment shall accrue simple interest at the lesser of eighteen percent (18%) per annum or the highest rate which may be charged to said Owner by law (the "Applicable Rate") from and after the thirtieth (30th) day from the due date until the same is paid in full. In the event the Association employs an attorney or otherwise takes any legal action in attempting to collect any amounts due from any Owner, such Owner agrees to pay all attorneys' fees, court costs, and all other expenses paid or incurred by the Association. The lien and equitable charge upon each Lot for Assessments as provided above shall also include all late charges, interest at the Applicable Rate and all attorneys' fees, court costs, and other expenses paid or incurred by the Association in attempting to collect any unpaid Assessments.

(b) In the event any Assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided at law or in equity, the Association, acting through its Board or through any of its officers or authorized representatives, may undertake any or all of the following remedies:

(i) The Association may commence and maintain a suit at law against an Owner to enforce such charges and obligations for Assessments, and any such judgment rendered in any such action shall include the late charge and interest at the Applicable Rate, as specified in the above Section, together with attorneys' fees, court costs, and all other expenses paid and incurred by the Association in collecting such unpaid Assessments; and/or

(ii) The Association may enforce the lien created pursuant to the above Section in the manner hereinafter provided.

(c) There is hereby created a continuing lien on each Lot, with power of sale, which secures the payment to the Association of any and all Assessments levied against or upon such Lot all late charges and interest at the Applicable Rate assessed pursuant to the above Section and all attorneys' fees, court costs, and all other expenses paid or incurred by the Association in collecting any Assessments. If any Assessments remain unpaid for more than sixty (60) days, then the Association, through its Board or any officer or authorized representative thereof, may, but shall not be obligated to, make written demand on such defaulting Owner, which demand shall state the date and amount of delinquency. Each default shall constitute a separate basis for a demand and claim of lien, but any number of defaults may be included in a single demand. If such delinquency is not paid in full within ten (10) days after the giving of such demand, the Association may file a claim of lien and perfect its lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board of the Association or any officer of the Association, contain the following information, and be recorded in the Probate Office of Lee County, Alabama:

(i) The name of the delinquent Owner;

(ii) The legal description and street address of the Lot upon which the lien claim is made;

(iii) The total amount claimed to be due including late charges, interest at the Applicable Rate, collection costs, and attorneys' fees incurred to date and a statement, if applicable, that such charges and costs shall continue to accrue and be charged until full payment has been received; and

(iv) A statement that the claim of lien is made by the Association pursuant to this Declaration and is claimed against such Lot in an amount equal to that

stated therein.

The lien provided for herein shall be in favor of the Association, shall be for the benefit of all other Owners (other than those Owners in default), and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey, and sell any such Lot. Each Owner, by acceptance of a deed to any Lot, shall be deemed to (1) grant to and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (2) grant to and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (3) expressly waive any objection to the enforcement and foreclosure of the lien created herein, and (4) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any such suit or action for foreclosure.

8.10 Subordination of Lien. The lien for Assessments and other charges authorized herein with respect to any Lot in the Property is and shall be subordinate to the lien of any Mortgage held by an Institutional Mortgagee, but only to the extent that the Mortgage held by any such Institutional Mortgagee is recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to the Section above. When an Institutional Mortgagee exercises its foreclosure rights provided in its Mortgage and acquires title to or sells to a third party its interest in any Lot then such Institutional Mortgagee or its purchaser or transferee at such foreclosure sale shall (a) not be liable for any Assessments or other charges incurred prior to

the date of transfer or acquisition of title by foreclosure so long as the Mortgage held by such Institutional Mortgagee was recorded in the Probate Office of Lee County, Alabama, prior to the filing of a claim of lien by the Association pursuant to the above Section, but (b) be liable for all Assessments and other charges levied, assessed, or incurred with respect to such Lot from and after the date of such foreclosure sale. The foregoing shall not relieve any Owner whose Lot has been foreclosed from the personal obligation to pay all Assessments and any other charges levied, assessed, or incurred by the Association, and the Association shall have the right to pursue all rights and remedies against a defaulting Owner notwithstanding the foreclosure of a Mortgage by an Institutional Mortgagee on such Owner's Lot.

8.11 Certificates. The Association or any officer or authorized representative thereof shall, upon request and at such reasonable charges as may from time to time be adopted by the Board, furnish to any Owner a certificate in writing setting forth whether the Assessments for which such Owner is responsible have been paid and, if not paid, the outstanding amount due and other costs and expenses due from such Owner. Such certificate shall be conclusive evidence of payment of any Assessments stated therein.

ARTICLE IX: CASUALTY, CONDEMNATION AND INSURANCE

9.01 Damage or Destruction to Common Areas.

(a) In the event of any damage or destruction to any of the Common Areas by fire or other casualty, then, subject to the terms and provisions of this Article IX, the Association shall promptly repair, replace, and restore the damaged portions of the Common Areas to the condition to which they existed immediately prior to

such fire or other casualty.

(b) In the event the amount of insurance proceeds, if any, recovered as a result of such damage or destruction is insufficient to fully repair, replace, and restore the damaged portions of the Common Areas, and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to the above Sections, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs necessary to repair, replace, or restore the Common Areas to the condition as existed immediately prior to such fire or other casualty. Such special Assessments shall be levied against each Owner equally as provided in the above Section. Further special Assessments may be made by the Board, without the necessity of a vote of the Owners approving or disapproving the same, at any time during or upon completion of any such repair, replacement, or restoration of the Common Areas if funds are insufficient to cover the costs of such repair or restoration. Any and all insurance proceeds received by the Association on account of any damage to or destruction of any of the Common Areas or any sums paid to the Association under or by virtue of such special Assessments shall be held by and for the benefit of the Association and shall be disbursed by the Association in payment for the costs of such repair or restoration in such manner as may be determined by the Board of the Association. In no event shall the Owner or Mortgagee of any Lot be entitled to any portion of the proceeds of insurance payable as a result of the damage to or destruction of any portion of the Common Areas.

9.02 Damage or Destruction to Lots and Improvements.

In the event of any fire or other casualty which damages

or destroys any portion of any Lot or Improvement then the Owner of such damaged Lot or Improvement shall promptly repair and otherwise restore same to the condition to which the same existed immediately prior to such fire or other casualty; provided, however, that any such restoration or repair shall be subject to compliance with all of the terms and provisions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. Any such restoration or repair shall be commenced within one hundred eighty (180) days following the occurrence of such fire or other casualty.

9.03 Condemnation of Common Areas.

(a) In the event of the taking of all or any portion of any of the Common Areas as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then the award from such taking or sale in lieu thereof shall be paid to the Association and shall be disbursed or held as follows:

(i) To the extent the Common Areas subject to such taking can either be restored or replaced, then, to the extent practicable, the Board of the Association is hereby empowered, authorized, and directed to take such action, including the purchase of any remaining lands within the Property or the utilization of any other Common Areas within the Property, to restore, rebuild, or replace, as the case may be, those portions of the Common Areas subject to such taking. If the award is insufficient to fully defray the cost of such repair or replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, then the Board of the Association may levy a special Assessment against all

Owners, without the necessity of a vote of the Owners approving or disapproving the same pursuant to the above Sections, which such special Assessments shall be in an amount sufficient to provide funds to pay the remaining costs of repair, restoration, or reconstruction. Such special Assessments shall be levied against each Owner as provided in the above Section. Further special Assessments may be made by the Board without necessity of a vote of the Owners approving or disapproving same, at any time during or upon completion of any such repair, replacement, or restoration of the Common Areas if the award received as a result of such taking is insufficient to pay the costs of such repair or restoration.

(ii) To the extent the Common Areas subject to such taking cannot be restored or replaced or additional lands within the Property cannot be purchased by the Association in order to repair, replace, or restore the Common Areas so taken or if the Board of the Association shall determine that the portions of the Common Areas so taken should not be replaced or restored, then in any such event, the net award from such taking shall be retained by and for the benefit of the Association.

(b) If any portion of the award from any taking remains after restoration or replacement of any of the Common Areas, the remainder of such award shall be retained by and for the benefit of the Association, without any claim thereto by any Owner. Except as specifically provided in the below Section, no Owner or Mortgagee of any Lot shall be entitled to any portion of the award made to the Association as a result of the taking of any portion of the Common Areas.

(c) If such taking or sale in lieu thereof includes all or any part of a Lot and also includes any part of the

Common Areas, then the award from such taking shall be equitably apportioned in accordance with the decision of a court of competent jurisdiction and such award shall be disbursed separately to the Association and to the Owners so affected by such taking; provided, however, that the Owners of any Lot which is subject to any such taking and the Board of the Association may mutually agree on the amount of such apportionment, which mutual agreement shall be binding on all Owners.

9.04 Condemnation of Lots. In the event that all or any portion of a Lot is taken as a result of, in lieu of, or in anticipation of the exercise of the right of eminent domain, condemnation, or by private purchase in lieu thereof, then, to the extent practicable, the Owner of such Lot shall promptly repair, reconstruct, rebuild, and otherwise restore the remaining portions of the Lot as nearly as practicable to the condition to which the same existed immediately prior to such taking; provided, however, that any such restoration shall be subject to all of the terms and conditions set forth in Article V above and all then applicable rules, regulations, statutes, and ordinances of the Governmental Authorities. In the event restoration is impracticable or would otherwise violate this Declaration, then such Owner shall promptly clear away any remaining Improvements damaged or destroyed by such taking and shall leave such Lot and any remaining Improvements thereon in a clean, orderly, safe, and sightly condition.

9.05 Insurance.

(a) The Board of the Association shall have the authority to obtain and maintain at all times adequate insurance in such form as the Board deems appropriate for the benefit of the Association insuring all insurable Improvements in and to the Common Areas against loss or damage by fire or other hazards, including, without limitation, extended coverage, flood, vandalism, and

malicious mischief, which coverage shall be in an amount, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.

(b) The Board shall have the authority to obtain and maintain in effect at all times such public liability insurance coverage covering all of the Common Areas and any damage or injury caused by the negligence of the Association, its Board, and all members, officers, agents, and employees thereof, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may deem necessary or desirable.

(c) The Board shall have the right and authority to obtain workman's compensation insurance, employer's liability insurance, and all other types of insurance required by law, including, without limitation, errors and omissions and directors and officers liability insurance coverage, in such amounts, with such insurance carriers, at such costs, and with such deductibles as the Board, in its sole discretion, may determine.

(d) All insurance coverage authorized hereunder shall be written in the name of the Association and all costs thereof shall be a common expense. To the extent the same may be obtained at a nominal cost, all such policies shall contain a waiver of subrogation clause pursuant to which the insurer waives any claims against the Declarant, the Association, the members of the Board, and all officers, agents, and employees of the Association, including the manager for the Property and the Association, the Owners and the family members, servants, agents, tenants, and guests of the Owners and shall also name Declarant as an additional insured.

(e) Each Owner shall be solely responsible for obtaining

and maintaining public liability, property damage, title, and all other types of insurance with respect to his Lot and and Improvements. The Board may require all Owners to carry public liability insurance with respect to their respective Lots and Improvements and to furnish copies or certificates thereof to the Association. Each Owner, by acceptance of a deed or other instrument conveying any interest in any Lot or Improvement, does hereby waive and release Declarant, the Design Review Committee, the Association, and their respective agents, employees, representatives, partners, shareholders, members, officers, and directors, from any and all liabilities or damage covered by (or which should be covered by) fire and casualty (e.g., homeowner's and/or builder's risk) insurance and general liability insurance which any Owner maintains, even if such loss or damage has been caused by the fault or negligence of any of the foregoing persons or parties.

Any amendment made pursuant to this Section shall be certified by Declarant and shall be effective upon recording of the same in the Probate Office of Lee County, Alabama. Any such suspension of rights may be for the duration of the infraction.

The foregoing procedure shall only be applicable to the enforcement rights specified in the above Section and shall not apply to the exercise of any of the rights and remedies specified in any other section or provision of this Declaration.

11.04 Nonexclusive Remedies. Notwithstanding anything provided to the contrary in this Declaration, the authority, enforcement, and procedural rights set forth in this Article XI are in addition to and shall not be deemed to limit the other rights and remedies set forth in this Declaration or which the Association, acting through the Board, would have the right to exercise at law or in equity.

In addition to all other rights and remedies set forth herein, in the event either the Design Review Committee, its agents or representatives, or the Board, its agents and representatives, undertake any legal or equitable action which either of them deem necessary to abate, enjoin, remove, or extinguish any violation or breach of this Declaration, then all costs and expenses incurred by either of them, including, without limitation, attorneys' fees and court costs, in enforcing any of the terms, provisions, covenants, or conditions of this Declaration shall be paid for by the Owner against whom such action was initiated. This Declaration shall be recorded for the benefit of Developer, the Association, the Owners, and their respective Mortgagees, and by such recording, no other adjoining property owner or third party shall have any right, title, or interest whatsoever in the Property or its operation and continuation, in the enforcement of any of the provisions of this Declaration, or the right to consent to or approve any amendment or modification to this Declaration.

12.12 Reservation of Rights. No sale, transfer, conveyance, lease, pledge, encumbrance, or other hypothecation of any Lot by Declarant to a third party shall constitute or be deemed a transfer of any of the rights reserved herein to Declarant unless express reference is made in such instrument of conveyance to the specific rights created in this Declaration which Declarant is transferring to any such third party.

12.13 Standards for Review. Whenever in this Declaration, Declarant, the Association, or the Design Review Committee has the right to approve, consent to, or require any action be taken pursuant to the terms hereof, such approval, consent or required action shall, except as otherwise specifically provided herein to the contrary, be given or withheld in the sole and absolute discretion of Declarant, the Association, or the Design Review Committee, as the case may be.

Subject to the provisions of the above Section, Declarant and the Design Review Committee shall each have the right to assign any and all of the rights, powers, reservations and duties contained herein to any person or entity who shall thereupon have the same rights, power, reservations, and duties as Declarant and the Design Review Committee, respectively.

12.17 Further Assurances. Each Owner covenants and agrees to execute, sign, and deliver, or cause to be executed, signed, and delivered and to otherwise do or make, or cause to be done and made, any and all agreements, instruments, papers, deeds, acts, or things, supplemental, conformity, or otherwise, which may be reasonably requested by Declarant, the Association, or the Design Review Committee for the purpose of or in connection with clarifying, amending, or otherwise consummating any of the transactions and matters herein.

12.18 No Waiver. All rights, remedies, and privileges granted to Declarant, the Association, and the Design Review Committee pursuant to the terms and provisions of this Declaration shall be deemed to be cumulative, and the exercise of any one or more of such rights,
